2024 in Review

****Chalmers received two new generators this year. After a proposal to the White County Commissioners these were approved and paid for, saving the town \$187,000. The old generator was moved to town garage.**

****A \$1.7 Million dollar water main project was completed and done under budget. This allowed additional funds for repairing water main breaks that occurred while F & K were in town. Also included in the project was a new well and well house at the park and maintenance to the water tower.**

****Electric and Water meters were upgraded to AMI meters.**

****Waste Water treatment plant repairs done and area cleaned up.**

****A new restroom/pavillion at the splash pad was completed.**

****Boards were replaced on the bleachers at ball field.**

****Additional security cameras installed/updated.**

****19 utility poles that were previously tagged as bad in 2009 were replaced.**

****AED's were updated/replaced.**

****Mosquito fogger certified for use.**

****Town purchased the Legion building.**
