## Small town, big hearts

Please note-Branches and sticks will now be picked up weekly on Mondays. Weather permitting. Please have the sticks/branches by the road first thing Monday morning.

*Chalmers was not awarded this round of the Community Crossing Grant. However, we will reapply in July. This grant money can be used for sidewalks and to repair/pave roads which we all know we desperately need.*

**The Town of Chalmers would like to thank IMPA for hanging up our American Flags downtown while they were in town replacing our old/damaged power poles.**

**The Chalmers Town Council Meetings will now be held only once a month on the 4<sup>th</sup> Tuesday at Town Hall at 6 pm. Everyone is welcome to attend.**

---

**A big thank you to Marcus King and Carolyn Baker for the gracious donation of 2000 flower bulbs to be planted in several locations around town. Thank you for helping to make Chalmers a more beautiful place. Also, a shout out to Bruce and Pam Hiner and Terry and Linda Allen for giving the splash pad a fresh coat of blue paint. It looks so much better! Thank you all!**

***We have finally received our generator for the Water Treatment Plant and the one ordered for the Waste Water Treatment Plant should arrive in the next several weeks. These were acquired with funds provided by our White County Commissioners.***
